

USACK 2010 National Marathon K1/K2 Championships

Hosted by the United States Canoe Association on the Peshtigo River, Peshtigo, WI – August 14-15, 2010

This year, for those racers who were *USACK* members, the *USCA*'s K1 Junior, K1-*ICF* Open and Master and K2 Unlimited championship classes also served as *USACK*'s National K1 & K2 Marathon Championships. They were run together, rather as some airlines "codeshare" certain routes. At this event, for administrative ease, differences in the two organizations' age division definitions were resolved as described below.

K1 Junior

The *USCA* K1 Barton Cup / K1 Junior marathon races also served as the K1 Junior *USACK* Marathon Championships for those paddlers who (a) are also *USACK* members and (b) paddled in *ICF* kayaks. For this event *USACK* used the *USCA* definition for Junior.

K1 Senior & Master (USACK)

The *USCA* K1-*ICF* adult marathon races (which have *USCA* Open and Master age divisions) also served as K1 Senior and K1 Master *USACK* Championships for *USACK* members. Note that *USACK*'s term "Senior" is treated for this event as equivalent to *USCA*'s term "Open" and *USACK*'s term "Master" is treated as equivalent to *USCA*'s term "Master". They are not normally quite the same.

K2

The *USCA* K2 Unlimited marathon races also served as the K2 *USACK* Marathon Championships for those paddlers who (a) were also *USACK* members and (b) paddled in *ICF* kayaks. For the K2 event there were no age divisions.
