Michigan provided the entire supply of *ENC* youth paddlers, and so the Youth Points Trophy was carried off to Kalamazoo, to be held for the year on behalf of the *USCA's* East North Central Division by the *Kalamazoo Canoe & Kayak Club*. Congratulations MI and *KCKC*. And congratulations to the members of Minnesota's *Rice Creek Boat Club* plus **Wynn Reeves** (CA) who, between them, earned all of Group 2's 1100 points!

There is some discussion as to whether the trophy should, in future, be awarded to a club or to a state, rather than to a somewhat arbitrary amalgam of *USCA* governing divisions. It might be easier for a paddler to identify with a club or with a state; it would make the trophy more meaningful. Or there may be another entirely different concept that would make receiving the trophy more interesting. The *USCA* President, **Janet Perry**, would welcome your ideas on the question: email her at janetperry55@comcast.net.
